Bill,

This is to follow up on your letter to Walter Mugdan dated August 7, 2014. We would like to clear up some confusion about the CPG's four letters received by EPA between February 6 and March 24, 2014, discussed in your letter.

Walter Mugdan's letter to you dated June 23, 2014 noted that EPA would not consider the four letters as comments to the Proposed Plan. Your August 7, 2014 letter indicates the CPG's disagreement and says that EPA should include the four earlier letters in the administrative record file for the LPRSA.

EPA has already included the four letters in the administrative record file. Walter's point was that we were not intending to treat the four letters as comments on the Proposed Plan, to be addressed in EPA's responsiveness summary. Your August 7, 2014 letter, which refers to the comments that the CPG does intend to submit, seems to confirm that approach. However, if you wish EPA to treat the earlier four letters as comments on the Proposed Plan, to be addressed by EPA in the responsiveness summary, please advise.

The paragraphs in the August 7, 2014 letter that follow your discussion of the four letters submitted to EPA between February 6 and March 24, 2014 do appear to be comments on the Proposed Plan, so we will treat your August 7, 2014 letter as a comment letter.

Regards,

-Sarah
